

# How to upload footage to YouTube

1. Visit [www.youtube.com](http://www.youtube.com) and create an account
2. “Sign In” to [www.youtube.com](http://www.youtube.com)
3. Select “Upload”
4. Follow the instructions onscreen to upload your video
5. Once uploaded, on the privacy settings select “**unlisted** (anyone with the link can view)”. This is important as selecting this setting means that the general public cannot view the link. Once you have done this, ensure you select “**Save Changes**”. Please ensure it is “**unlisted**” and not “**private**”. If it is marked as “private” the audition will not be able to be viewed by the audition panel and will be deemed ineligible.
6. When this is finished, you will be given a URL for your video. Copy this URL into an email.

Please ensure that you have mention the full name of the student, the School Year Group for 2019 (e.g. Year 8) and the instrument when saving the video to make it easy to identify the audition.
